

Your REFERRALS HELP women and children around the world

663 Million people in the world live without clean water. That is nearly 1 in 10 people worldwide or 20 times the population of our beautiful Canada. The majority live in isolated rural areas and spend hours every day walking to collect some semblance of potable water for their family. Access to clean water means education, income and health--especially for women and children.

ACCESS TO CLEAN WATER AND EDUCATION CHANGES EVERYTHING

We are on a mission to raise \$1,000,000 to help bring clean water and education facilities to those who do not have them. We are very passionate about helping the less fortunate because helping them serves God's Kingdom.

This is where you can help!

For anyone considering a move that we help, you can rest assured that not only will they secure the award-winning service we are known for, just as important, a significant portion of the income we receive from the transaction will be given to fund worthy causes around the world and here locally, particularly in the realm of clean water and education.

We are called to help the less fortunate (Malachi 3:8-12). Strangers, widows, orphans, poor, needy and foreigners. The source of life within me is the same SOURCE within everybody and everything. I see myself in them and them in me. We are all ONE SUBSTANCE expressing itself in infinite variety. My hope is humanity will arrive at this knowledge through education and enlightenment.

Our Partners rally around our sincere intention of raising money and donating portions of our income in our quest to help solve the water and education crisis.

Your Referrals contribute to uniting all four corners of the earth and relieving a lot of human suffering ... [LoveUnity2](#)
