

SELLING YOUR HOME

FACT...

On the average... Buyers inspect 12 homes before making an offer.

That means 11 other homes are competing against yours.

WHAT THAT MEANS TO YOU...

Your home will sell at the highest profit and in your time frame when all the ingredients are combined perfectly. If only one ingredient is left out your home will likely take longer to sell and will, quite possibly **COST YOU MONEY**

Mario Daniel Sconza & Partners knows what ingredients combine to sell your home fast and for top dollar.
