Welcome to the month of April. (mario daniel sconza)

By the time you are reading this, you will be deep into it. That means I cannot play any April Fool jokes on you. Never been a fan of those anyway. Snow begins to melt and it gets warmer as plants and grass begin to grow.

It is also a time to embrace the wonderful flavors of tasty maple products plus have a great time at all family activities and events.

And on the subject of festivals, Ontario maple syrup festivals and sugar bush tours take place March through May. Bursting with opportunities to discover traditions and learn how maple syrup is made.

Another BIG deal in April is TAX day! Yep! Deadlines for filing those personal income tax returns. I don't think most people mind paying taxes as long as they are being put to good use. I think it's the waste that bothers most us citizens.

Both days I mention above are for sure conversation starters, one full of funny stories, the other maybe not so much, but there are few days more memorable than the day you buy your dream home.

That day is supposed to be fun, exciting, and a great feeling of accomplishment.

GIVING STARTS THE RECEIVING PROCESS

Therefore, we offer guarantees and assurances to our clients. We call this Our Risk Removal System. Like our Guaranteed Sale Program: Your Home Sold at a Price Acceptable to you or We Buy It† And our VIP Buyer Satisfaction Guarantee: Buy Any One of Our Listings and if YOU Are not Satisfied Within Months, We Buy It Back† In fact, our Seller Benefits Package offers 9 Exclusive Guarantees. In my experience, these guarantees elevate our service and our client's experience.

There is some risk on my part to make such an incredible Guarantee, but we are selling just about every home we list for the Market value price, sometimes even more, so there is no reason for area home owners, your friends and family, to fret about selling right now.

This is where you come in...

If you or anyone you know is considering making a move, we would like to offer them a FREE No Obligation To Sell Consultation to discuss just how they can make their move, get what they want and do it with the least hassle.

Just as we are thankful for you and your business, I am confident your referrals will be thanking you for steering them in the right direction on getting their home sold.

A Real Estate Company that Gives Back

We are reaching our commitment of raising money for worthy causes here locally and around the world. We do this by donating a portion of our income from homes we sell to worthy causes.

A Real Estate Company that *Gives Back!*

TO WORTHY CAUSES HERE LOCALLY AND AROUND THE WORLD. MAKING A DIFFERENCE.

REFER YOUR FAMILY & FRIENDS

Who do you know considering buying or selling a home you could refer to our Real Estate organization? Not only will they benefit from our award-winning Real Estate service, a very worthy cause will benefit as well.

I want to make it easy to refer your friends, neighbours, associates or family members considering making a move: You can call or text me directly at 416-760-0306 or pass on my number.

Over the decades of helping families sell or buy the place they call home, we have met some wonderful, loving, caring people sharing the same values that we do.

on behalf of my fiancé and i as well as his family we want to thank the sconza real-estate team for helping us find our dream home! We were so blessed to be dealing with Luciano as our realtor! He was such great help during this whole process and put in a lot of work day and night to provide us with the information and help we needed to find our home! He made our experience extremely easy and worry free! The team as a whole is very helpful and I would highly recommend them as realtors! Thanks so much for all you guys did for us!

**WHY I SUPPORT CHARITY WATER AND EDUCATION
MISSIONS AROUND THE WORLD.**

I grew up right in Toronto ... the greatest city on the planet. Born at Humber Hospital located at Keele and Lawrence on February 27th 1971. The youngest of four children I had an opportunity to, as my Dad was winding down his Real Estate business, travel with him and Mommy to many countries around the world. Many of our destinations were impoverished (at the time) countries, Mexico...Brazil... Venezuela...just to name a few. It was then that I watched Dad feed the homeless and bring them jugs of clean drinking water that I gained perspective on how fortunate we truly are...it was then decided that I too would make a difference. In 1998 the Almighty and Sovereign Lord implanted a mission in to my Spirit... to be an EQUAL part of a community of people that can unite all four corners of the earth and relieve a lot of human suffering.

I am very privileged and honored to give God's People. We are called to help the less fortunate (Malachi 3:8-12). Strangers, widows, orphans, poor, needy and foreigners. The source of life within me is the same SOURCE within everybody and everything. I see myself in them and them in me. We are all ONE SUBSTANCE expressing itself in infinite variety. My hope is humanity will arrive at this knowledge through education and enlightenment. My Partners rally around our sincere intention of raising money and donating portions of our income in our quest to help solve the water and education crisis.
